- \*4 需另購聽筒。

# Outstanding Features with Built-In Quality

#### Dual Keypads and Hands-free Speakerphone on Base and Handset

Equipped with its own independent keypad and speakerphone, the base unit can be used to make and receive phone calls when the handset's not available or when you want to enjoy hands-free talking. Just press the speaker button and you can do something else while continuing to talk.

#### Caller ID with 50 Name & Number Call Log\*1

Caller ID displays the caller's name (service subscription required and stored in phonebook) and number, so you can see who's calling before you answer. Up to 50 latest caller's name and telephone numbers are stored in memory for easy recall.

#### 200-Name & Number Phonebook (Handset)

Up to 200 station names and numbers can be stored in the handset's phonebook for fast, easy recall.

#### Illuminated Display & Keypad (Handset)

Whenever you get a call or touch a key, the LCD and keypad light up in green so you can see who's calling and easily operate the phone - even in the dark.

# SMS: Text Messaging\*2 (English Message only)

Now the convenience of sending and receiving text messages is available from a home telephone.

# Polyphonic Ringer Melody/Tones on Handset

You can choose a high-quality ringer sound from 10 pre-set melodies and 5 ring tones.

#### Multiple Handsets Up To 6

Up to 6 handsets can be registered with a single base unit for added convenience. (Optional Handset KX-TCA121HK)
